

Why Choose Medigas?

Choosing Medigas for your CPAP and Bi-Level Therapy includes:

- Personal and customized mask fitting by a Medigas Respiratory Therapist.
- Mask Guarantee Program.
- Comprehensive education.
- Delivery and residential set-up available.
- One of Canada's largest CPAP unit, Bi-Level unit and CPAP mask selections representing the latest technology from leading sleep manufacturers.
- Sleep apnea and oxygen testing.
- CPAP and Bi-Level equipment check and parts clinics.
- Equipment instruction on the safe, proper, and routine care and use of individual CPAP and Bi-Level systems.
