

CADTH

is an independent, not-for-profit organization responsible for providing Canada's health care decision-makers with objective evidence about the optimal use of drugs and medical devices.

Close the Gap Between Evidence, Policy, and Practice- CADTH Strategic Goal

-  Provide customized implementation support.
-  Strengthen engagement with patient, clinicians, and other stakeholders.
-  Enhance analytics and performance measurement.

Using Evidence to...

Identify

- Identify & define an issue to be resolved
- Identify an opportunity for improvement

Decide

- Define options for a change decision
- Make the case for change (approval & buy in)

Implement

- Plan change strategy or intervention
- Inform implementation & sustainability efforts
