

www.leo-pharma.ca/Home/Products/List-of-Products.aspx

For patients who have been prescribed innohep[®], Patient Resources are only a click away.

You can download the following useful tools and resources:

- Self-Injection Guide Video
- Self-Injection Leaflet
- My Self-Injection Diary
- My Self-Injection Diary Page

Follow these steps to access:

Step 1: Go to www.leo-pharma.ca/Home/Products/List-of-Products.aspx and scroll down to innohep[®] Patient Resource Centre (as shown below)

- innohep[®] (tinzaparin sodium)
Download [Consumer Information \(Part III\)](#)
Download [Product Monograph](#)
HCP Resource Centre [Access now](#)
Patient Resource Centre [Access now](#)

Step 2: Click on **Access now** link

- innohep[®] (tinzaparin sodium)
Download [Consumer Information \(Part III\)](#)
Download [Product Monograph](#)
HCP Resource Centre [Access now](#)
Patient Resource Centre [Access now](#)

Step 3: Enter the **Drug Identification Number (DIN)** as requested

innohep[®] Patient Resource Centre

This resource centre is intended for patients taking innohep[®].

Please verify you are taking innohep[®] by completing the required log in information.

Please enter the Drug Identification Number (DIN) found on your innohep[®] product packaging:

• Where can I find my DIN?
• What if my DIN doesn't work?
