

# Enhanced Emergency Sexual Assault Services Training

Designed for professionals who are working with people who have been recently sexually assaulted, such as healthcare, counselling, and law enforcement.

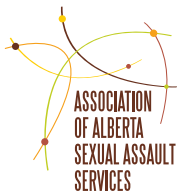

You will learn about:

Increasing your comfort supporting people who have been sexually assaulted.

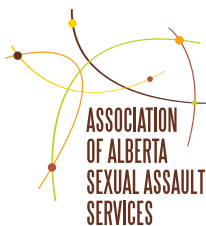

Providing trauma informed services.

Standardizing terminology and interventions.

Collecting and preserving evidence.

The primary work of the Association of Alberta Sexual Assault Services (AASAS) is to provide leadership, coordination and collaboration of sexual assault services in Alberta.

As a provincial support organization, AASAS focuses its efforts in these key areas:

**Awareness:** AASAS works to increase public and government awareness of issues involving sexual abuse and sexual assault and the impacts they have on Albertans.

**Access:** AASAS strives to ensure that all Albertans affected by sexual abuse and sexual assault have access to healing and recovery programs, services and supports

### **Local Specialized Support Services**

AASAS member agencies and services are responsible for day-to-day front line delivery of services within their local communities and regional areas. Find the specialized sexual assault support services available in your area by visiting the AASAS website or calling Alberta's ONE LINE for Sexual Violence 1-866-403-8000.
