## **DID YOU KNOW?**

**TOP Guidelines** for cognitive impairment contain valuable tools for diagnosis and management of dementia in primary care. If diagnostic or management challenges remain after doing an initial assessment, as outlined within the TOP Guidelines, consider referring to **Seniors Health Clinic**.

The telephone advice line **Specialist LINK** and enhanced clinical pathways help connect Calgary and area family physicians with specialists.

**Other CME&PD Education Opportunities** can be found at [cumming.ucalgary.ca/cme/resources/other-cme](http://cumming.ucalgary.ca/cme/resources/other-cme)
