DID YOU KNOW?

The **Office of CME&PD** has shifted over to a new website design. This new design allows you to search for the courses that fit your needs by date, format or topic. Easily search on your computer, tablet or mobile device! Find out what's new, apply for accreditation and sign up for our newsletter!

The **Alberta College of Family Physicians** and **PEER** (Patients Experience Evidence Research) are hosting **Practical Evidence for Informed Practice Conference** Oct 25-26, 2019 at Doubletree by Hilton West Edmonton.

TOP Guidelines for cognitive impairment contain valuable tools for diagnosis and management of dementia in primary care. If diagnostic or management challenges remain after doing an initial assessment, as outlined within the TOP Guidelines, consider referring to **Seniors Health Clinic**.

The telephone advice line **Specialist LINK** and enhanced clinical pathways help connect Calgary and area family physicians with specialists.
