

## OUR VISION

Inspiring excellence in continuing professional education, practice and research.

## OUR MISSION

To provide and coordinate integrated academic educational and assessment activities and resources that promote lifelong learning for healthcare professionals for excellence in clinical practice focused on improving health outcomes.

## OUR SERVICES

The Office of Continuing Medical Education & Professional Development at the Cumming School of Medicine at the University of Calgary offers a broad range of evidence-based learning opportunities to physicians, other health professionals and the public in a variety of formats including face to face, online and blended learning.

We provide support with accreditation services, professional course and event planning and management, registration, venue arrangements, advertising and marketing, registrant course materials and course evaluation summaries.

The Office of Continuing Medical Education & Professional Development at the University of Calgary is fully accredited by the Committee on Accreditation of Canadian Medical Education (CACME) and is an accredited CPD provider for The College of Family Physicians of Canada and the Royal College of Physicians and Surgeons of Canada.

## JANUARY 9 – MARCH 13, 2019

Wednesday Evenings | 7:30-9:30 p.m. MST

### Evening Course for Primary Care – Winter 2019

ALSO VIA WEBINAR

Clara Christie Theatre, 3330 Hospital Drive NW,  
Calgary, AB

*WHO SHOULD ATTEND: MD | RESIDENTS | NP | RPH | OHP*

Evening Course for Primary Care provides practice pearls that can be used every day. Sessions are relevant, practical and evidence-informed. This course supports the development of an informal inter-professional community of practice where learners are equipped to review the diagnosis and management of problems commonly seen in Family Medicine.

## JANUARY 17, 2019

### Pediatric Emergency Assessment, Recognition and Stabilization (PEARS) Course

Emergency Medicine for Rural Hospitals Pre-Course  
Banff Park Lodge Hotel, 222 Lynx Street, Banff, AB

*WHO SHOULD ATTEND: THOSE WHO MIGHT INFREQUENTLY ENCOUNTER PEDIATRIC EMERGENCY SITUATIONS, INCLUDING PHYSICIANS AND NURSES NOT SPECIALIZING IN PEDIATRICS, NP, PA, EMS, RESPIRATORY THERAPISTS, PREHOSPITAL AND IN-FACILITY HEALTHCARE PROVIDERS (OUTSIDE OF CRITICAL-CARE AREAS), OUTPATIENT CLINIC STAFF, SCHOOL-BASED PROVIDERS AND ANY OHP*

The PEARS Provider Course prepares healthcare providers caring for pediatric patients with foundational skills to assess, recognize, and participate in the initial management of respiratory and/or cardiovascular emergencies and cardiopulmonary arrest. Active case-based instruction will be used to teach students to provide appropriate lifesaving interventions within the initial minutes after response until the child is transferred to an advanced life support provider.

## JANUARY 17, 2019

### Paediatric Fractures Course

Emergency Medicine for Rural Hospitals Pre-Course  
Banff Park Lodge Hotel, 222 Lynx Street, Banff, AB

*WHO SHOULD ATTEND: MD | NP | OHP (REMOTE PRACTICE SITES)*

This course is designed for rural practitioners to learn the knowledge and skills necessary in the initial management of paediatric fractures. This course will include short didactic presentations addressing the correct diagnosis of paediatric fractures and the physiologic differences between paediatric and adult fractures that affect management. Live demonstration with hands-on practice will focus on appropriate casting and splinting methods. Participants will practice on each other, including applying casts and splints (appropriate attire is suggested).

## JANUARY 18, 2019

### Emergency Practice, Interventions and Care – Canada (EPICC) Trauma

Emergency Medicine for Rural Hospitals Pre-Course  
Banff Park Lodge, 222 Lynx Street, Banff, AB

*WHO SHOULD ATTEND: REGISTERED NURSES WORKING IN (OR INTERESTED IN WORKING IN) THE EMERGENCY DEPARTMENT. OTHER PROFESSIONS AND EMERGENCY DEPARTMENT STAFF ARE WELCOME TO ATTEND THE EPICC; HOWEVER, ONLY REGISTERED NURSES CAN RECEIVE CERTIFICATION AFTER THEY COMPLETE ALL ASPECTS OF THE FULL PROGRAM*

This session is based on the Trauma-specific National Emergency Nurses Association (NENA) Core Competencies of the Emergency Nurse. The purpose of this session is to provide a standardized approach to the trauma patient with a variety of presentations. This in-person session will focus on simulation, small and large group discussions about patient presentations and issues common to the emergency department environment.

## JANUARY 18, 2019

**Common Fractures and Dislocations Course**  
Emergency Medicine for Rural Hospitals Pre-Course  
Banff Park Lodge, 222 Lynx Street, Banff, AB

*WHO SHOULD ATTEND: MD | NP | OHP (REMOTE PRACTICE SITES)*

This course is designed to learn hands-on skills to deal with common fractures and dislocations seen in the rural emergency departments. The course will include short case-based presentations on specific fractures, a discussion of diagnosis and treatment, demonstration of the applicable cast and/or splint and hands-on practice. The morning will focus on fractures and dislocation of the upper limbs and the afternoon will focus on the lower limbs. Participants will practice on each other, including applying splints and casts (appropriate attire is suggested).

## JANUARY 18-19, 2019

**21st Annual Rural Anesthesia for GP Anesthesiologists and Associated Post-Course (Ultrasound Guided Nerve Blocks)**

Banff Park Lodge, 222 Lynx Street, Banff, AB |  
Banff Mineral Springs Hospital, 305 Lynx Street, Banff, AB

*WHO SHOULD ATTEND: GP ANESTHESIOLOGISTS WORKING IN RURAL SETTINGS*

This intensive one-day course for GP Anesthesiologists features a blend of expert-lead didactic teaching and practical skill-development workshops, and offers opportunities for networking and exchange of information and ideas between leaders in the field and rural GP anesthesiologists.

## JANUARY 18-20, 2019

**35th Annual Emergency Medicine for Rural Hospitals**

Banff Park Lodge, 222 Lynx Street, Banff, AB |  
Banff Mineral Springs Hospital, 305 Lynx Street, Banff, AB

*WHO SHOULD ATTEND: MD | RN | NP | PRE-HOSPITAL HEALTH PROFESSIONALS*

This course provides updates on clinical topics relevant for physicians, nurses and other health professionals who practice in rural communities. Through a combination of plenary lectures, small group interactive sessions and hands-on skill development workshops, participants will review current best practices, guidelines, tools and techniques for investigating and managing emergent patients – from pre-hospital, to the rural emergency department.

## FEBRUARY 2, 2019

**5th Annual MSK Clinical Pearls Course**

Radisson Hotel Red Deer, 6500 67 St, Red Deer, AB

*WHO SHOULD ATTEND: PRIMARY CARE PHYSICIANS | EMT | ATHLETIC THERAPISTS | PHYSIOTHERAPISTS | SPECIALIST PHYSICIANS | KINESIOLOGISTS | NURSES | RESIDENTS/TRAINEEES*

This expert-lead annual course uses a blend of didactic presentations, case studies and hands-on skills training to enhance physicians' and other healthcare professionals care for patients with physical injuries. This year's topics focus on sideline management of athletic injuries.

## FEBRUARY 8, 2019

**Mood Day Conference**

Mood Disorders in 2019

Health Sciences Centre, 3330 Hospital Drive NW,  
Calgary, AB

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | RPH | PSYCHIATRISTS | RPSYCH | SW | MENTAL HEALTH PROFESSIONALS*

This course offers an interdisciplinary clinical focus which is applicable to all community practitioners. The vision of the conference is to examine Bipolar and Major Depressive Disorder from a psychiatric and psychological perspective. The conference is designed to provide strong practical and clinical resources to all members of the mental health community.

# FACE TO FACE

**FEBRUARY 23-24, 2019**

## **Preparation Course for the CCFP Exam**

Health Sciences Centre, 3330 Hospital Drive NW,  
Calgary, AB

*WHO SHOULD ATTEND: PRACTICE ELIGIBLE PHYSICIANS WHO ARE PREPARING TO UNDERTAKE THE CCFP EXAM*

This course is designed for practice eligible physicians who are preparing to undertake the CCFP Exam. The course will provide participants with an overview of the principles of family medicine, an overview of the patient-centred clinical method, an introduction to the Simulated Office Oral (SOO) component of the exam, skills and strategies to use in patient interviews that can be applied to the exam, six practice SOOs with feedback from experienced examiners, pre-course practice with Short Answer Management Problems (SAMPs) and feedback, an opportunity to practice writing SAMPs in an exam-like setting and a discussion of the SAMP component of the exam.

NOTE: content of this course is not endorsed by The College of Family Physicians of Canada nor is it reviewed by the Board of Examiners at the College to ensure alignment with the CCFP certification examination. Participating in the course does not guarantee success on the certification examination.

**MARCH 8, 2019**

## **Alcohol Use Disorder**

Psychiatric Quarterly Updates

ALSO VIA WEBINAR

Health Sciences Centre, 3330 Hospital Drive NW,  
Calgary, AB

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | RPH | PSYCHIATRISTS | RPSYCH | SW | MENTAL HEALTH PROFESSIONALS*

This series of updates aims to provide healthcare professionals with an evidence-based overview of multiple areas within the psychiatric domain. Each half-day session aims to cover important topics such as diagnosis review and update, treatment/therapeutic use and application, and local perspectives and resources as it pertains to that sessions' focus. This course will be structured as a self-assessment program eligible for Section 3 MOC credits.

**MARCH 18, 2019**

## **Choosing Wisely Alberta Symposium: Beyond Awareness to Implementing Change**

The Westin Calgary, 320 4 Avenue SW, Calgary, AB

*WHO SHOULD ATTEND: HEALTHCARE LEADERS | MD | OHP | PATIENT REPRESENTATIVES | MEDICAL STUDENTS AND MEDICAL TRAINEES*

This free symposium aims to engage clinicians, patients and system leaders in a discussion about how to prioritize and implement Choosing Wisely recommendations. Abstracts will be selected for oral presentations, 3MT (three minute thesis) or traditional posters.

**APRIL 22, 2019 | JUNE 17, 2019**

## **Essential Strategies for Chronic Pain Management**

Richmond Road Diagnostic and Treatment Centre,  
1820 Richmond Road SW, Calgary, AB

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | RPH | SPECIALISTS | PHYSICAL THERAPISTS | OCCUPATIONAL THERAPISTS | RPSYCH | SW | NUTRITIONISTS | KINESIOLOGISTS | PAIN RESEARCHERS*

Family physicians are responsible for the majority of the management of chronic pain. Day one of this course will be held in a classroom setting to provide an overview of key issues in chronic pain. Days two and three will be arranged as observership days, in conjunction with the Course Coordinator at the Chronic Pain Centre, and will provide a clinical preceptorship that responds to the needs of the individual learner.

**APRIL 24, 2019**

## **Cannabis Update 2019**

Practical Skills for Working with Patients

Around Cannabis

Calgary Therapeutics Pre-Course

ALSO VIA WEBINAR

Red & White Club, 1833 Crowchild Trail NW, Calgary, AB

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | RPH | SPECIALISTS | OHP*

This evidence-based course is designed to provide primary care practitioners with a focused appraisal of "hot topics" in therapeutics and their application to practice. This year's focus is on a practical approach to working with patients who use cannabis.

# FACE TO FACE

Join us in person and sign up early to get a discount!  
[cumming.ucalgary.ca/cme](http://cumming.ucalgary.ca/cme)

**APRIL 25-26, 2019**

## **36th Annual Calgary Therapeutics Course**

ALSO VIA WEBINAR

MacEwan Conference & Event Centre, Main Campus,  
2500 University Drive NW, Calgary, AB

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | RPH | SPECIALISTS | OHP*

This evidence-based course is designed to introduce family physicians, specialist physicians, pharmacists and nurse practitioners to new medications, new indications for older products and new guidelines for treatment. Current therapeutics controversies are examined and drug and non-drug therapeutic approaches for selected clinical conditions are presented.

**MAY 6, 2019**

## **Calgary Pain Conference**

ALSO VIA WEBINAR

Roderick Mah Centre for Continuous Learning,  
4825 Mount Royal Gate SW, Calgary, AB

*WHO SHOULD ATTEND: ALL HEALTHCARE PROVIDERS INCLUDING MD | PA | NP | RN | LPN | RPH | PHYSICAL THERAPISTS | OCCUPATIONAL THERAPISTS | RPSYCH | SW | NUTRITIONISTS | KINESIOLOGISTS | PAIN RESEARCHERS | STUDENTS*

This conference covers advances in pain research and treatment, the prevention and management of acute and chronic pain and provides an overview of available programs and resources in Calgary. It will be of interest to all healthcare providers.

**MAY 9-10, 2019**

## **6th ACH Paediatric Update Conference**

Alberta Children's Hospital, 2888 Shaganappi Trail NW,  
Calgary, AB

*WHO SHOULD ATTEND: PAEDIATRICIANS | MD | RESIDENTS AND TRAINEES | NP | RN | LPN | RPH | OCCUPATIONAL THERAPISTS | PHYSIOTHERAPISTS | SW | RPSYCH | SPEECH LANGUAGE PATHOLOGISTS | AUDIOLOGISTS*

This conference will update knowledge in selected areas of paediatric care relevant to physicians and other health professionals who look after children in community and hospital settings. Various topics that may have changed over the last few years will be reviewed to support enhancements in the care of infants, children and adolescents.

**MAY 24, 2019**

## **Confident ECG Interpretation: Pick Up Pearls and Pass by Pitfalls**

Health Sciences Centre, 3330 Hospital Drive NW,  
Calgary, AB

*WHO SHOULD ATTEND: FAMILY PHYSICIANS AND OTHERS WHO WORK IN URGENT CARE AND ICU WISHING TO UPSKILL IN ECG INTERPRETATION; ECG-CERTIFIED FAMILY PHYSICIANS AND HOSPITALISTS LOOKING FOR A REFRESHER*

*IN THIS AREA: FAMILY PHYSICIANS PREPARING TO WRITE THE COLLEGE OF PHYSICIANS AND SURGEONS OF ALBERTA ECG INTERPRETATION EXAMINATION*

This course is facilitated by cardiologists from the University of Calgary Cardiac Sciences. The course will provide a review of basic 12-lead ECG interpretation skills required by family physicians.

**JUNE 7, 2019**

## **Psychosis**

Psychiatric Quarterly Updates

ALSO VIA WEBINAR

Health Sciences Centre, 3330 Hospital Drive NW,  
Calgary, AB

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | RPH | PSYCHIATRISTS | RPSYCH | SW | MENTAL HEALTH PROFESSIONALS*

This series of updates aims to provide healthcare professionals with an evidence-based overview of multiple areas within the psychiatric domain. Each half-day session aims to cover important topics such as diagnosis review and update, treatment/therapeutic use and application, and local perspectives and resources as it pertains to that sessions' focus. This course will be structured as a self-assessment program eligible for Section 3 MOC credits.

# ONLINE

Self-learning experience, anytime, anywhere  
[cumming.ucalgary.ca/cme](http://cumming.ucalgary.ca/cme)

## FEBRUARY 4 – MAY 26, 2019 Psychiatry Online Literature Review Course

D2L BASED ONLINE COURSE

*WHO SHOULD ATTEND: MD*

The Psychiatry Online Literature Review Course provides the opportunity for physicians and residents to discuss current relevant journal articles and their relation to practice. The focus of the articles will be "Highlights of 2018". All discussions are held online in an asynchronous format so that participants can post their comments at any time. Convenient method for physicians and residents to review journal articles, and their relation to practice with other physicians and residents, from the familiarity of their own office or home computer.

## Acute Stroke Care e-Learning Program (FREE)

SELF-PACED LEARNING

*WHO SHOULD ATTEND: HEALTH TEAM INVOLVED IN ACUTE STROKE CARE | DISPATCH | DIAGNOSTIC IMAGING TECHNICIANS | EMERGENCY DEPARTMENT PHYSICIANS | EMERGENCY DEPARTMENT NURSES | NEURO-INTERVENTIONALISTS | NEUROLOGISTS | PARAMEDICS | MFR & EMS | RADIOLOGISTS | STROKE NURSES | OTHER NURSING SPECIALTIES | OHP*

Acute Stroke Care e-Learning is an online portal provided by the Office of CME&PD at the University of Calgary and the Quality Improvement & Clinical Research (QuICR) Alberta Stroke Program. QuICR is a partnership between Alberta Health Services, Alberta Innovates Health Solutions, University of Alberta – Faculty of Medicine and Dentistry and the University of Calgary – Cumming School of Medicine. In the online portal, there are multiple self-learning modules designed for various professionals involved in acute stroke care in Alberta. You will also find the most up-to-date tools and resources for your clinical practice of acute stroke care.

## Dementia Behaviours and Appropriate Use of Antipsychotics (FREE)

SELF-PACED LEARNING

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN*

The management of behavioral disturbances in dementia involves non-pharmacologic approaches and pharmacologic treatments. This online self-learning course is designed to support family physicians in Alberta in implementing behaviour assessment and management of patients with dementia, including the appropriate use of antipsychotics.

## Healthy Pregnancy Weight Gain (FREE)

SELF-PACED LEARNING

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | COUNSELLORS*

In this course, you will learn how to effectively discuss weight gain with pregnant women. You will be presented with practical tips, evidence-based research from the most recent Health Canada and Institute of Medicine recommendations, as well as the latest study findings from innovative projects being conducted right here in Alberta. We have consulted with both women and health care providers across the province to shape this program.

## Obesity Management CME Program (FREE)

SELF-PACED LEARNING

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | COUNSELLORS*

This online CME course is provided by the Office of CME&PD at the University of Calgary and Alberta Health Services – Primary Care and Chronic Disease Management. It is not a one-time course for your participation but an ongoing portal for your point-of-care access. You will learn the 5As of obesity management from this self-learning course. The Obesity Management CME Program was designed for primary care practitioners in Alberta to understand the 5As, and to give them a set of practical tools and local resources in adult obesity counselling and management.

# ONLINE

Self-learning experience, anytime, anywhere  
[cumming.ucalgary.ca/cme](http://cumming.ucalgary.ca/cme)

## **PTSD and Post Disaster Population Impact (FREE)**

SELF-PACED LEARNING

*WHO SHOULD ATTEND: MD | PA | NP | RN | LPN | COUNSELLORS*

Prompted by the 'Flood of 2013', this open access course responds to the mental health needs of patients impacted by disasters. From a practical perspective, and within the context of primary care in Alberta, participants will be able to recognize the impact of natural disasters on communities and demonstrate the role of the primary care practitioner in PTSD management.

## **Alberta Opioid Dependency Treatment Virtual Training Course**

SELF-PACED LEARNING

*WHO SHOULD ATTEND: MD | NP | RHP | OHP*

The focus of the Alberta Opioid Dependency Treatment Virtual Training Course is to provide healthcare providers with the knowledge, skills and attitudes required to work with patients who have opioid use disorder (OUD). In addition to self-learning modules, there are group learning activities attached to certain tracks of this course.

The self-learning activity consists of seven online self-paced modules:

- The Opioid Crisis
- Understanding Opioids
- Impact of Opioid Use
- Reducing Harm and Recognizing Opioid Poisoning
- Treatment Planning: Opioid Agonist Treatment (OAT) Therapy
- Treatment Planning: Psychosocial Interventions
- Special Populations

The group learning activity is a three-hour webinar offered to individuals who complete the course tracks for practitioners initiating or maintaining opioid prescription; it is repeated bimonthly, usually on the first Monday of the month at 9:00 a.m.

Completion of the online modules is the prerequisite for participating in the webinar.

## **COMING SOON**

### **Practice Readiness Assessment (PRA) Orientation for International Medical Graduate (IMG) Candidates**

ONLINE MODULES FOR SELF-PACED LEARNING

*WHO SHOULD ATTEND: INTERNATIONAL MEDICAL GRADUATES (IMGs)*

This self-paced online orientation is developed in response to identified unique support needs the International Medical Graduates (IMGs) have when they undergo a Practice Readiness Assessment (PRA) in Alberta.

## **COMING SOON**

### **Professionalism and Medical Ethics**

*WHO SHOULD ATTEND: MD*

Physicians are committed to the health and well-being of individual patients and society through ethical practice, high personal standards of behaviour, accountability to the profession and society, physician-led regulation and maintenance of personal health. This course is designed to help you recognize and safely navigate everyday ethical and professional challenges, identify and prevent conflicts and potential misconducts.

## **COMING SOON**

### **Breastfeeding e-Learning Series**

ONLINE MODULES FOR SELF-PACED LEARNING

*WHO SHOULD ATTEND: FAMILY PHYSICIANS | PEDIATRICIANS | OBSTETRICIANS | NURSES | MIDWIVES | DIETITIANS | LACTATION CONSULTANTS*

Providing standardized education to support province-wide breastfeeding guidelines and policies to healthcare providers (HCPs) is part of the Breastfeeding Strategy to ensure consistent support for breastfeeding mothers/parents and their families in Alberta. A series of online modules will be available for physicians and other healthcare providers across the maternal-child continuum of care (preconception, pregnancy, postpartum and the early years) in Alberta.

# BLENDED

Combining the physical comfort of classroom interaction with the convenience of online content engagement  
[cumming.ucalgary.ca/cme](http://cumming.ucalgary.ca/cme)

**MAY 24, 2019**

## **ECG Interpretation Course 2019**

PRE-COURSE ONLINE SELF-LEARNING FOLLOWED BY FACE TO FACE WORKSHOP

Health Sciences Centre, 3330 Hospital Drive NW, Calgary, AB

*WHO SHOULD ATTEND: FAMILY PHYSICIANS AND OTHERS WISHING TO UPGRADE THEIR ECG INTERPRETATION SKILLS; FAMILY PHYSICIANS PREPARING TO WRITE THE COLLEGE OF PHYSICIANS AND SURGEONS OF ALBERTA ECG INTERPRETATION EXAMINATION; ECG-CERTIFIED FAMILY PHYSICIANS AND HOSPITALISTS LOOKING FOR A REFRESHER IN THIS AREA*

This course is facilitated by cardiologists from the University of Calgary Cardiac Sciences. The course will provide a review of basic 12-lead ECG interpretation skills required by family physicians. Participants will be required to complete online self-learning activities prior to the full day, face to face activities. The online self-learning activities include a series of podcasts, related questions and ECG interpretation exercises. The highlight of the face to face day is a rotation of small group, facilitated case discussions.

**4TH FRIDAY OF EVERY MONTH**

## **Office Gynecological Training for Family Physicians**

PRE-COURSE ONLINE SELF-LEARNING FOLLOWED BY CLINIC TRAINING

MAINPRO+ 2 CREDITS PER HOUR

*WHO SHOULD ATTEND: MD*

Family physicians and other primary care practitioners have to be increasingly competent in office skills and procedures that are more commonly associated with specialist practice, for example, gynecological office procedures. This course provides gynecological office procedure training opportunities for you in Intrauterine Device (IUD) insertion and Endometrial Biopsy practice. It also allows you to have ongoing conversations with specialists, providing your feedback on what you further need for office gynecological training.

**COMING SOON**

## **Medical Record Keeping**

PRE-COURSE ONLINE SELF-LEARNING FOLLOWED BY FACE TO FACE WORKSHOP AND POST-COURSE WEBINAR

*WHO SHOULD ATTEND: MD*

The medical record facilitates good care. With contemporaneous documentation of patient encounters, the reflection and review can reinforce the consistency, completeness and quality of your clinical activities. This course aims to address sufficient documentation, which is central to patient safety and continuity of quality care. The first occurrence will be in March 2019 (date TBD). Registration is coming soon.

**MULTIPLE TIMES PER YEAR**

## **Wise Prescribing and Deprescribing: Opioid Skills for the Frontline Clinician (Workshops: Mainpro+ 3 credits per hour)**

ONLINE MODULES FOR SELF-PACED LEARNING FOLLOWED BY SMALL GROUP WORKSHOPS

*WHO SHOULD ATTEND: MD | NP | RN | PHYSICIAN ASSISTANT*

This course provides opportunities for you to review the principles and guidelines for opioid tapering, reflect on your own practices and discuss enablers and barriers with the workshop facilitator and peers. There are offerings of self-learning as well as small group learning activities in this course.
