Physician Learning Program

Vision

By 2025, all Alberta physicians will care for patients in a supportive culture, driven by evidence-informed, reflective practice improvement.

Mission

PLP creates actionable clinical information and engages with physicians, teams, partners, and patients to co-create sustainable solutions to advance practice.

Annual Report 2019-2020

CME&PD and PLP Collaborations

In 2019-2020, PLP and CME&PD collaborated on initiatives to engage physicians with clinically meaningful practice data at the 44th Annual Pearls for Family Practice and the 37th Annual Calgary Therapeutics Course.

CME&PD Partners

We would like to acknowledge the following partners for their support:
