Phase 1 of the LGI Education (MedSIS 3C) implementation **includes CBD elements only** (EPA/narrative observations and competence committee meeting/decision support).

All other forms that exist in one45 (ITERS, daily forms, faculty evaluations, etc.) will continue to be accessed through one45 for the current academic year.

Note: Programs that are not listed do not have active CBD Residents. The remaining programs will be transitioned to MedSIS 3C in July 2025.
