

What do you need to know?

- The existing Royal College Resident ePortfolio program for tracking CBD elements ends December 2024
- University of Calgary’s Cumming School of Medicine decided to transition to LGI Education (MedSIS 3C) before the end of 2024
- **Phase 1 of the LGI Education (MedSIS 3C) implementation is targeted for release on October 2, 2024.** Phase 1 includes CBD elements only (EPA/narrative observations and competence committee meeting/decision support).
- There will be three release waves through October to November 2024. **The first wave includes 23 programs.**
- Phase 2 is in the planning and development stage with a targeted release of July 2025. Phase 2 will include transitioning other workflows currently supported by one45 to LGI Education (MedSIS 3C).

What’s in it for Preceptors?

- Mobile-friendly interface
- EPA template remains the same
- Residents can now pre-fill assessments **OR** submit forms on behalf of Preceptor (with verbal consent)

Options for Residents:

 Send to Evaluator

Send a **“blank” form** to the Evaluator (preceptor gets an email notification with a link to form)

 Send to Evaluator

Prefill the form and send to the Evaluator (preceptor gets an email notification with link to form – can edit as needed)

 Submit as Evaluator

Complete the form **“Submit as Evaluator”** (preceptor gets an email notification) (Residents should get permission from you to do this!)

The system will be released in 3 program “waves”. **Go Live for Wave 1 is October 2, 2024.**

System Access

- **Your User / Login ID is an existing Ucalgary or AHS (or affiliated) email address the program has on file.** More information will be provided closer to October 2.

Note: Even if your Program is not included in Wave 1, we are targeting to give you system access beginning October 2.

System Notifications

- The system does not allow personal email addresses to login (must be either UCalgary or AHS (or affiliate))

Training

- **All users**, including Residents, Preceptors, Academic Advisors and Competence Committee Members, will have access to training materials, including Quick Reference Guides on the PGME website. <https://cumming.ucalgary.ca/pgme/medsis-information>
- Links to these materials will be available late September 2024

Are you an Academic Advisor or Competence Committee Member?

- Task-specific training materials will be available to you on the PGME website

October 2024 – MedSIS 3C Implementation Update

Targeted Go-live dates by Program

All other forms that exist in one45 (ITERS, daily forms, faculty evaluations, etc.) will continue to be accessed through one45 for the current academic year.

Note: Programs that are not listed do not have active CBD Residents. The remaining programs will be transitioned to MedSIS 3C in July 2025.

Using an AHS email address?

Watch for this email – it is NOT spam.

Check both your @ucalgary.ca and your AHS (or affiliated) email for welcome instructions.

If your UserID is a UCalgary email, you will receive one email from MedSIS 3C with your login information

If your UserID is an AHS email, you will receive two emails:

1st email, comes from Microsoft requesting approval to access MedSIS 3C (you must click accept).

2nd email, comes from MedSIS 3C, with your login information.
