

# Where to Start

- All AHS application forms, maps, office hours and locations can be found on:  
<https://insite.albertahealthservices.ca/>
- Completed parking applications can be emailed to [parkingcalgary@ahs.ca](mailto:parkingcalgary@ahs.ca) A parking representative will contact you via email once parking has been activated.
- Please note that it can take up to five business days for processing.
- If you are requesting to cancel your parking privileges a completed parking cancellation form must be emailed to [parkingcalgary@ahs.ca](mailto:parkingcalgary@ahs.ca). A parking representative will contact you via email once the cancellation has been processed.

# How to Pay

- For all residents (including pharmacy) with an active employee number parking deductions are made through e-people payroll deduction system for the total hours coded in a pay period. AHS employee number is located on your AHS ID badge.
- Resident parking fees are **\$0.80/ hour** to the monthly maximum of **\$134.83**. Deductions are based on paid hours and not parking usage.
- If you are issued SMCHC then the rate will be different as this lot has a different rate structure due to the tax benefit.
- Medical Fellows are to complete a parking application form and submit in person to one of our AHS parking offices as payment is not processed through payroll and is required upfront.

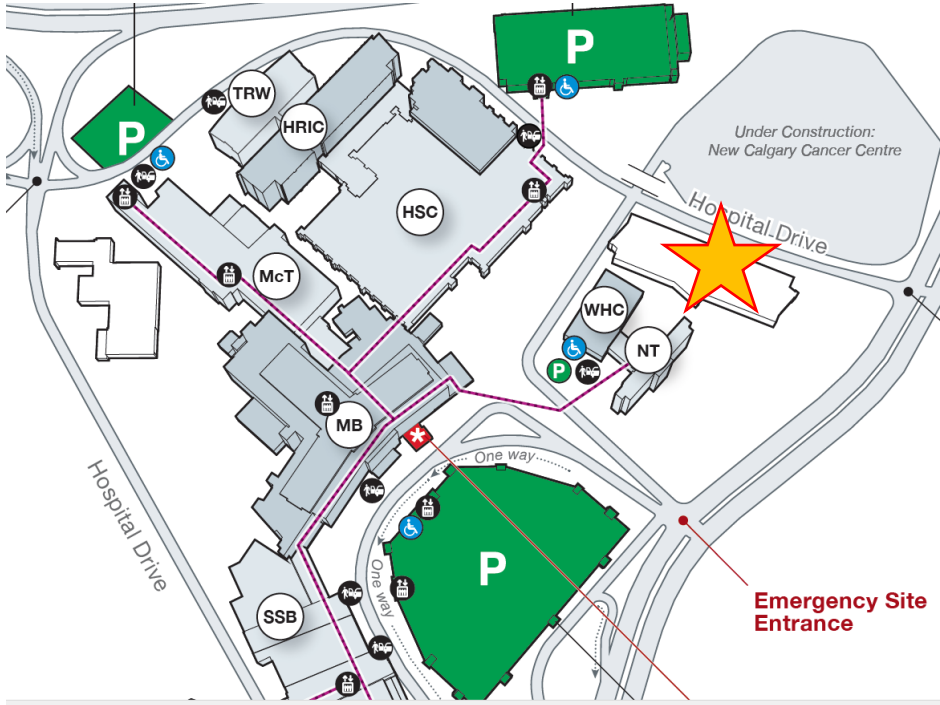

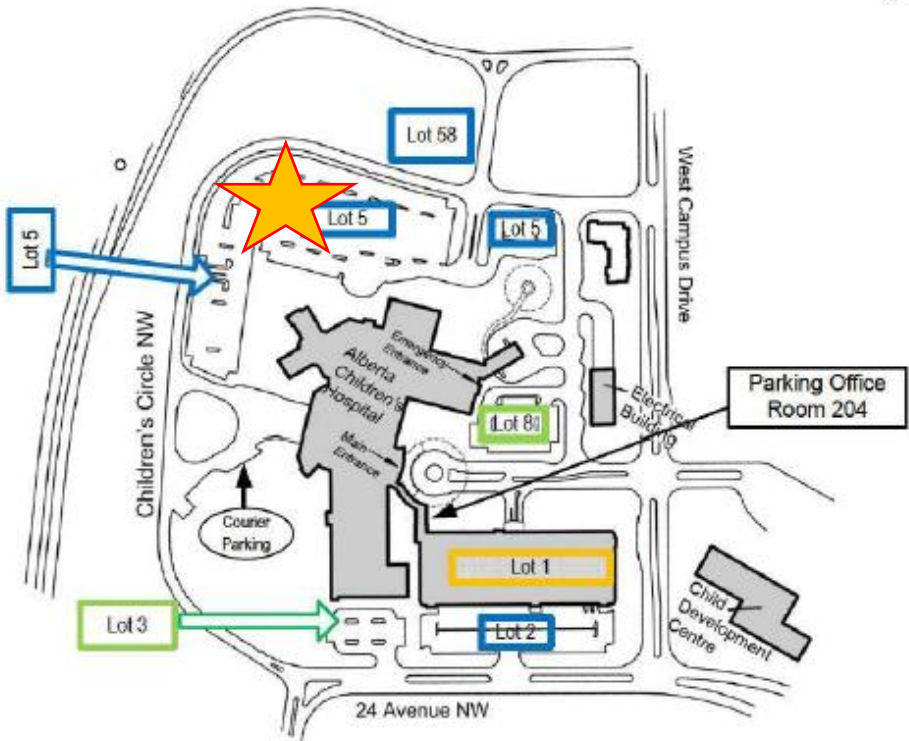

# Where to Park

- Resident Parking is set up on your AHS card access badge with specific lots that can be accessed.
