

## International Medical Graduate (IMG) and the Labour Market Impact Assessment (LMIA) Exemption

---

### Process:

- The Office of Postgraduate Medical Education (PGME) must approve the placement of a Fellowship trainee
- Upon PGME approval, a Letter of Offer will be emailed to the trainee
- PGME will submit the Offer of Employment via the online portal to Immigration, Refugees and Citizenship Canada and PGME will pay the employer compliance fee on behalf of the fellowship program. PGME will send via email to you the Labour Market Impact Assessment Exemption application number and receipt from Immigration, Refugees and Citizenship Canada (IRCC). This information will be required to complete your work permit application.
