Learner Resources and Supports

Clues that a resident may need learning supports:

**Medical Expert**
- Underperformance on formative or summative tests
- Lack of ongoing progress through residency
- Rigid or overly linear thinking

**Professional**
- Absenteeism, frequent lateness
- Late or missed deadlines
- Lack of insight-Difficulty receiving feedback

**Leader**
- Indecisiveness
- Difficulty with increasing responsibility or clinical complexity
- Difficulty triaging or delegating tasks appropriately

**LASAC: Learner Academic Supports and Assessment Committee**

LASAC meets monthly to review and provide suggestions on Remediation and Probation Plans. If you are developing a Remediation or Probation Plan, please be aware of the meeting dates. All plans are reviewed prior to implementation. Meeting dates are available here.

**Equity, Diversity and Inclusion Needs Assessment Survey:**

We are undertaking a needs assessment of Equity, Diversity and Inclusion curriculum at CSM. Faculty involved in curriculum development or instruction in any of our academic programs (including faculty development) are invited to complete a survey to help us identify current initiatives at the program level, gaps in programming, and the barriers and facilitators to implementing EDI curriculum. Fill out the survey for your program or course here.

**The Learning, Engagement, Action for Resident Needs (LEARN) Study:**

We wish to explore the needs and perceptions of residency program directors, teaching faculty and residents regarding resident remediation and struggling learners. This is for quality assurance purposes and because there is a lack of research regarding policy development and residency remediation. We are recruiting for one-on-one interviews with key stakeholders including current resident trainees, program directors and teaching faculty.

This is a one-time interview conducted by phone that will take up to 60 minutes of your time. Your participation in this study is completely voluntary. As a token of appreciation for your time, you will receive a $25.00 gift card. For more information, please contact the PGME Research Lead, Dr. Aliya Kassam at kassama@ucalgary.ca.

This study has been approved by the University of Calgary Conjoint Health Research Ethics Board (REB21- 0287).

Physical Exam Preceptors Needed!

Residents are enthusiastically welcome to teach any of our UME courses – there are only four requirements:

1. Be a PGY2 or higher
2. Have a Resident as Teacher course or equivalent
3. Have permission/consent from the attending
4. A desire to share knowledge with medical students

If you have taken a Resident as Teacher course, we would love to add you to the invite list for upcoming courses. Just send an email to medskil2@ucalgary.ca to indicate your interest and let us know when you have taken the RATs course.
