- 5.2** A Resident may make a request to extend the deadline in Section 5.1 if a request for extension is made to pgmeappeals@ucalgary.ca prior to the expiration of the deadline. Extension requests must include a copy of the decision being appealed, the reason the extension is required and the length of extension being requested.
- 5.3** Extension requests made by a Resident pursuant to Section 5.2 are decided by the Associate Dean or delegate.

- b) there was a reasonable apprehension of bias on the part of a person(s) who made the decision being appealed;
- c) the decision is unreasonable; or
- d) any other ground.

5.6 The following are not reasons a Resident can appeal and will result in the Resident's request being rejected:

- a) ignorance of the University of Calgary, CSM or Program policies, regulations, procedures, course outlines or expectations;
- b) mere dissatisfaction or disagreement with the decision, the assessment criteria, or performance expectations;
- c) achievement in other courses, assessments, programs, or Rotations;
- d) the CSM did not approve a requested accommodation pursuant to the *Post Graduate Medical Learning Accommodation Process*; or
- e) extenuating circumstances that could have been previously disclosed to the CSM.

5.7 The Chair will respond to a request for an appeal within fourteen (14) Business Days of its receipt indicating whether leave to hear the appeal has been granted or not, and where leave has not been granted, the reason(s) for this decision. A Chair can deny leave to appeal for the following reasons:

- a) the Resident did not submit their request by the deadline;
- b) the Resident did not receive an appealable decision;

5.8 If the Resident's request for a PGME appeal is denied pursuant to section 5.5, there is no further right of appeal at the University of Calgary.

5.9 If leave to hear an appeal is granted, the Chair will issue correspondence that includes: 1) the hearing date, time and location, 2) the names of the PGME Appeals Committee members who will hear and decide the appeal, 3) the deadline for the

- b) The parties must copy each other on all correspondence directed to the PGME Appeals Committee, including copies of any documentation or evidence submitted in the appeal.
- c) The parties must provide five (5) copies of all documentation they submit to the PMGE Appeals Committee unless it is submitted electronically.

5.10 In order to ensure timely resolution of appeals, the parties are expected to make the necessary scheduling arrangements to participate in the hearing. The Chair will grant amendments to the hearing dates only if a written request is made and only if there are exceptional circumstances that necessitate an amendment.

5.11 If necessary, the PGME Appeals Committee members, the Resident or the Respondent may be offered the opportunity to attend a hearing over teleconference, videoconference, or some other electronic means. The Chair has the authority to decide that an oral hearing will take place over teleconference, videoconference, or some other electronic means.

5.12 Both the Resident and the Respondent have the right to have a person of their choice appear with them at the hearing as an Advisor. 5.13 Both the Resident and the Respondent have the right to challenge the membership of the PGME Appeals Committee who is hearing and deciding the appeal. Challenges may only be made where it is claimed that a PGME Appeals Committee member has a conflict of interest that may prevent a fair decision being made. A challenge must be made in writing to the Chair, at least seven (7) Business Days before the hearing date, and must include evidence supporting the challenge. The Chair will determine whether there is a conflict of interest that may prevent a fair decision being made, unless the Chair is the subject of the challenge, in which case the Associate Dean will

decide. If the challenge is successful, the Chair will provide the names of the new panel to the Resident and the Respondent and adjust the hearing timeline as needed.

A member may be removed if, in their own opinion or that of the Chair, there is a potential or actual conflict of interest.

- 7 PGME Appeals Documentation and Witnesses**
- 7.1** The Resident and Respondent must submit copies of all relevant documentation to the Chair no later than seven (7) Business Days prior to the hearing date.
