DIRECTIONS TO TRW BUILDING AND PARKING

Drive along 29th Street NW.

Follow the white signs on the side of the road (hospital side) to the **University of Calgary Foothills Campus** on Hospital Drive NW.

Follow the road (Hospital Drive NW) past parking Lot 6 (on the right side) and around the buildings to the underground **TRW Parkade** (on the right side) across from the TRW building.

Please park in the **TRW Parkade** in order for us to cover the parking fee.

Once parked, take an elevator up to the **ground (G)** floor of the TRW building.

Walk through the lobby of the **Shaikh Family Clinical Research Floor** towards the door leading outside.

Enter the double doors to the right – coming from the direction of the elevators – marked **Libin Cardiovascular Institute of Alberta**.

Please have a seat in the waiting area and a research nurse will meet you shortly thereafter to lead you to our autonomic lab room.
