CHRIM/CCHCSP MENTORSHIP SESSION

EDI Framework for Inclusive Excellence in Research Program

November 29, 2021 | 12:00 - 1:00 PM central | ZOOM

Dr. Neeloffer Mookherjee

Dr. Neeloffer Mookherjee is an Professor, Department of Internal Medicine and Immunology. As the current CIHR Sex and Gender Science Chair in Circulatory and Respiratory Health, her research program focuses on the impact of sex as a biological variable on respiratory disease progression and response to therapy. Her research also integrates aspects of how environmental exposures such as air pollution impact chronic disease. She is actively integrating fundamentals of Sex and Gender Based Analyses in all aspects of her research program. Dr. Mookherjee is a strong advocate for women in science, and is the current Chair of the WISDOM (Women In Science; Development, Outreach and Mentorship) initiative at The Rady Faculty of Health Science.

2. WCHRI Learning Session: A Community Presentation: Why, When and How

Tuesday November 30, 2021 @ 11:30am-1:00pm MST

Register in advance for this meeting:

[Learning Session: A community presentation: Why, when and how – WCHRI](#)

A community presentation: why, when and how

In this session, you will learn:

- the benefits of delivering an effective community presentation.
- tips on speaking to a lay audience.
- the purpose of community engagement throughout the research process.

Presented by:

- Justine Turner, professor in the Department of Pediatrics

Tuesday, November 30
11:30 a.m.–1 p.m. | Zoom
