

# Child Health and Wellness Seminar

## *Linking brain structural and microstructural development to cognition and mental health*

**Dr. Christian K. Tamnes, PhD**  
Professor, University of Oslo

---

Dr. Tamnes' talk will include MRI studies on structural and microstructural brain development in childhood and adolescence. He will also present studies on the relationships between brain structure and structural development, and cognition and psychopathology.

**Monday, November 22, 2021**

**8:30 – 9:30 am MT**
