

ENRICH
EMPOWERING NEXT-GENERATION RESEARCHERS
IN PERINATAL AND CHILD HEALTH

Please join ENRICH program centre leaders on
December 5, 2022

for an evening of networking, learning, and dinner.

Dr. Serena Orr will share her journey becoming a clinician-scientist. Following that, we will host an **interactive session** to discuss common challenges and solutions to building a scientist career in perinatal and child health research.

5:30 - 6:30pm: Reception

6:30pm onward: Dinner

Murrieta's West Coast Bar & Grill

801 1 St SW #200, Calgary, AB

Please RSVP to Tanya Graves-Smith
