

Evidence-Based Practice for Improving Quality (EPIQ) Virtual Workshop

Tuesday, November 30, 2021

9:00 am – 3:00 pm

Zoom for Virtual Workshop

The EPIQ Workshop: Training front-line teams in quality improvement methods

EPIQ uses a hands-on approach that enables teams to implement quality improvement together.

In this workshop you will learn:

- Why improvement science is valuable in health care and everyday life.
- Gain expertise on the QI process and understand how to implement it in your context.
- Establish a stronger understanding of your opportunities for change.
- Break down implementation into achievable steps.
- Get a handle on the logistics: plans, team creation, measurement, and more.

Registration and fees:

- Registration is limited to 24 participants
- Registration fees: \$50 CAD
- Registration deadline: **November 19, 2021 at 9:00 am**
