

# Evidence-based Practice for Improving Quality

The EPIQ Workshop aims to train physicians and other healthcare providers in quality improvement methods using hands-on approach that enables teams to implement quality improvement together.

## In this workshop you will learn

- Why improvement science is valuable in health care and everyday life.
- Gain expertise on the QI process and understand how to implement it in your context.
- Establish a stronger understanding of your opportunities for change.
- Break down implementation into achievable steps.
- Get a handle on the logistics: plans, team creation, measurement, and more.

## Registration

- Registration fee is \$35 CAD
- Registration deadline is 4 PM MDT Thursday, October 20, 2022. After this date registration will not be accepted.

Registration Link: <https://conted.ucalgary.ca/portal/events/reg/participantTypeSelection.do?method=load&entityId=71030712>

- Cancellation and refunds are available until 4 PM MDT Wednesday, October 19, 2022. A \$5.00 processing fee will be deducted from the registration fee.
