7th Annual Global Child Health  
Virtual Conference

# Children's Healthcare in a Changing World

## January 11, 2023

### Poster Call

Submit your research poster for the 7th Annual Global Child Health Conference!

Posters must highlight research in topics relevant to global child health, either in the community or international, or Indigenous child health.

Project should deliver a clear message/outcome.

Applications are due December 16, 2022. Author will be notified of acceptance on December 21, 2022.

Please contact [globalchildhealth@ucalgary.ca](mailto:globalchildhealth@ucalgary.ca) for a pdf application form. There is no submission cost.

Of note: From all posters received, up to 6 posters may be asked to present virtually at the conference between 10:00-10:30am. Format will be oral/Powerpoint and 5 minutes in length.
