The Diversity of Alberta Physicians: Results and Meaning of a Cross-Sectional Survey

Shannon Ruzycki

General Internist and Clinical Assistant Professor,
Departments of Medicine and CHS

Jayna Holroyd-Leduc

Geriatrician and Professor,
Departments of Medicine and CHS

Objectives:

1. Describe what is known about the diversity of physicians working in Alberta.
2. Understand how the work experience differs for physicians based on their demographics.
3. Reflect on the experiences of racism, sexism, harassment, and discrimination of our colleagues.
