

PAEDIATRIC GRAND ROUNDS

Alberta Children's Hospital

October 5, 2022
8:30 - 9:30 AM

*****Registration Required*****

Re-Imagining Undergraduate Medical Education

Dr. Rahim Kachra Dr. Chris Naugler Mike Paget

By the end of this session, participants will be able to:

1. Understand and describe the driving forces and evidence behind the change to the RIME curriculum and teaching methodology.
2. Describe how the pre-clerkship curriculum will be structured, particularly how pediatrics will be taught at the undergraduate level.
3. Describe how the change will impact Medical Educators and Clinical Preceptors, and name ways that pediatricians will remain an integral part of the pre-clerkship teaching.
