Professor of Pediatrics

University of Missouri-Kansas City School of Medicine

Glassnapp Family Foundation Endowed Chair in Bioethics

Director, Children's Mercy Bioethics Center, Children's Mercy Kansas City

Kansas City, Missouri, USA

## "Helping Parents Face and Make Tough Decisions in the NICU"

### Learning Objectives:

1. Understand how parents describe the stresses that make decision making difficult for parents of critically ill babies in NICU.
2. Appreciate the ways standards for shared decision making are changing.
3. Recognize that "facts" about prognosis are not straightforward and can be framed in very different ways.
