

Section of Newborn Critical Care, Department of Pediatrics

Neonatal Grand Rounds

Anup Katheria, MD

Associate Professor of Pediatrics

Director, Neonatal Research Institute & NICU Follow-Up Clinic
Sharp Mary Birch Hospital for Women & Newborns, San Diego

Considerations in obtaining antenatal consent
for research, when is waiver of consent an
option?

Learning Objectives:

1. What does waiver of consent mean in neonatal trials?
2. Ethical balance for approaching women in labor or under medication vs. the scientific integrity of excluding a number of subjects that may potentially benefit the most from an intervention.

March 26, 2024 at 4:00pm
