

Section of Neonatology, Department of Pediatrics

Neonatal Grand Rounds

Frances M Cowan, LRCP & SI, PhD, FRCPCH

Hon. Senior Lecturer, Imperial College London, UK

Visiting Professor, Bristol University, UK

Specialty: Perinatal Neurology

Hammersmith Infant Neurological Examination
(HINE): development, standardization and
clinical application

Learning Objectives:

1. Understand the structure and principles of the HINE
2. Know how to administer and score of the HINE
3. Know in principle how to apply the normative scoring data to different clinical groups and ages of young infants
4. Appreciate that HINE scores in isolation do not give a diagnosis
