**RE:** Provincial Medical Director for Virtual Health Dr. JA Michelle Bailey

---

I am pleased to announce the appointment of Dr. JA Michelle Bailey as our Provincial Medical Director for Virtual Health.

As a clinician, Dr. Bailey provides both hospital and ambulatory pediatric care in Calgary. Prior to assuming this leadership role, she has had extensive medical leadership experience as the inaugural Section Chief and ongoing Quality and Safety Lead for Pediatric Hospital Medicine, clinic lead for the Tracheoesophageal Fistula/Esophageal Atresia and Congenital Diaphragmatic Hernia clinics at Alberta Children's Hospital and the Maternal, Newborn, Children and Youth SCN lead for the TRaC-K (Telehealth Rounding and Consultation for Kids) virtual clinical model and research project.

Michelle brings her passion for optimizing clinical health systems and supporting data driven quality improvement to the rapidly advancing arena of virtual health in Alberta, and will begin her new role on December 1, 2022.

Please join me in welcoming Dr. Bailey to her new role.

Sincerely,

Dr. Jonathan Choy  
Senior Medical Director  
Virtual Care, Access, and Navigation

Tricia Chambers
