

Section of Newborn Critical Care, Department of Pediatrics

Neonatal Grand Rounds

Edward F. Bell, MD

Professor of Pediatrics
University of Iowa

When to transfuse the extremely preterm infant

Learning Objectives:

1. Explain the causes of anemia in the preterm infant
2. Describe some potential methods for minimizing the need for red blood cell transfusion in the preterm infant
3. Discuss how you might determine when a preterm infant should receive a red blood cell transfusion for anemia
4. Summarize the key findings of the two most recent large studies of transfusion thresholds for anemic preterm infants
