

Section of Neonatology, Department of Pediatrics

Neonatal Grand Rounds

Dr. Serena Jenkins, Ph.D., M.Sc.

Scientific Associate, Palix Foundation

Fostering neuroplasticity through early positive experiences

Learning Objectives:

1. Explore preclinical models of the mechanisms behind early positive experiences and brain development.
2. Explore how early positive experiences have been used therapeutically in clinical models.

November 29, 2022 at 4:00pm

Zoom Registration
