

Section of Neonatology, Department of Pediatrics

Neonatal Grand Rounds

Dr. Tonse N. K. Raju, MD, DCH

Program Officer,

Environmental Influences on Child Health Outcomes (ECHO)

IDeA States Pediatric Clinical Trials Network (ISPCTN)

Office of the Director, National Institutes of Health

How did we get from Chicken Coops to Intensive Care? A Brief History of a Remarkable Journey

Learning Objectives:

1. Trace the evolution of maternal and neonatal care.
2. Describe how “unexpected” events helped modernize newborn care.
3. Describe the dilemma of optimizing oxygen therapy for preterm infants.
4. Outline the major contributors impacting the advances in the care of high-risk newborn infants..
