

Owerko Neurodevelopmental Clinical Rounds

Supporting Transgender Autistic Individuals

Ashleigh Yule, M.A., R.Psych,

Doctoral candidate, School and Applied Child Psychology, University of Calgary

Wednesday, February 3, 2021 12 – 1 pm

Register for Zoom link: <https://bit.ly/3i8ca7E>

This talk will share current findings and perspectives on gender diversity for individuals on the autism spectrum and present evidence-informed practices for supporting gender diverse autistic children, teens, and adults. Participants will investigate their own understandings of gender and neurodiversity while learning practical strategies to provide sensitive care for trans autistic family members, clients, and community members.

Supported by generous community donations through the Alberta Children's Hospital Foundation
