EDUCATION Issue

Educator of the Month - August 2024

We are excited to highlight August's Educator of the Month - Dr. Michael Schlegelmilch!

A big thank you to Dr. Michael Schlegelmilch for all he does!

EDUCATOR OF THE MONTH

AUGUST 2024

Dr. Michael Schlegelmilch, MD, MPH, FRCPC

Pediatric Emergency Physician and Clinical Lecturer

“ —

What is your favorite medical education resource?

My favorite Med Ed resource for aspiring PEM trainees and physicians is ImageSim (<https://imagesimcme.com/>). It's the best resource to demystify the pediatric elbow x-ray!

My favorite on-shift teaching tool is a pen and paper. I'm an awful artist, but even a bad anatomical picture does wonders to bring clarity to a complex topic.

— ”

Great job

Dr. Michael Schlegelmilch!

UCalgary Teaching Days 2024

Responding to Secondary Traumatic Stress in Medical Education | Two Day, In-person Workshop for Physicians in Practice

The importance of trauma-informed medical education has been recognized, although there has been less attention to the potential risks of secondary traumatic stress and vicarious trauma among preceptors involved in supporting residents.

To address this gap, this interactive workshop for physicians in practice introduces participants to Resilience for Trauma-Informed Professionals, an evidence-informed curriculum that has been developed to help preceptors develop skills to reduce the risk of secondary traumatic stress (STS) as they work with learners who have experienced trauma and encounter trauma in their work. The workshop will offer individual as well as organizational approaches for preventing, monitoring, and responding to STS and strategies that can help foster a STS-resilient workplace.

This two day, in-person workshop will be held at the Foothills Campus - the small registration fee includes lunch on Day 1. Please note, that participants **must** attend both days.

Day 1: Thursday, September 26, 2024 | 8:00 AM - 4:00 PM

Day 2: Friday, September 27, 2024 | 8:00 AM - 12:00 PM

AHS Microsoft 365 Licenses

In 2023, Microsoft 365 introduced a new licensing model to AHS. Information Workers with assigned computers (i.e., admin) will receive full access to the MS 365 license package, while Deskless Workers will have access to web-based apps only.

Currently, 80% of AHS staff are Deskless Workers, and 20% have dedicated devices. Web-based access limitations mean certain documents (e.g., fillable forms, advanced Excel spreadsheets, macros) will not be compatible with Deskless Workers.

Develop Your Podcaster Potential

We're launching a Department of Pediatrics podcast with the Pediatric Resident Training Program and seeking department members to mentor and co-host episodes with senior residents.

This podcast will highlight fascinating stories and groundbreaking work in our department, exploring diverse career paths in pediatrics and spotlighting colleagues who deserve more recognition.

If you'd like to help showcase our colleagues and their contributions, please send an email to susan.kuhn@albertahealthservices.ca.

**UNIVERSITY OF
CALGARY**

UCalgary Profiles

The University of Calgary (UCalgary) has created a new central web profile system! The great news is as a member/faculty you can access your own web profile and update it as needed – this profile is like your very own mini-website where you can share your contact information and highlight your research, teaching, biography, awards, etc.

Getting started:

If you have a UCalgary email, simply login to <https://profiles.ucalgary.ca/user>

- [Here is the guide](#) on how to create your profile
- [Here are additional profile tips](#)
- Questions or need assistance? Please email digital@ucalgary.ca or pediatrics.comms@ucalgary.ca.

If you do not have a UCalgary email, we can set up your profile using your AHS email! Please send an email to digital@ucalgary.ca or pediatrics.comms@ucalgary.ca.

Please note that all ACHRI member profiles have been unpublished and all ACHRI members have been notified. We will only use UCalgary profiles moving forward.

Have news or content that you would like to be featured?

Please send us an email at pediatrics.comms@ucalgary.ca by Tuesday at 11:00 AM for it to be included in that week's issue or the appropriate week's feature. Learn more about each week's themes [here](#).

ACHRI/Owerko Summer Student Research Symposium 2024

Wednesday, August 28, 2024 | 8:30 AM – 4:30 PM

Location(s): Clara Christie Theatre, Health Sciences Centre & HRIC Atrium, Health Research Innovation Centre

This symposium provides a great opportunity for young researchers to share the amazing summer research projects they have been working on!

The ACHRITA ([Alberta Children's Hospital Research Institute Trainee Association](#)) organizing committee is seeking graduate students, postdoctoral fellows, and clinical fellows to review abstracts and serve as judges. Judges evaluate student presentations during dedicated sessions:

- 9:20 – 10:50 AM – Oral Presentations
- 12:05 – 2:15 PM – Poster Presentations
- 2:15 – 3:45 PM – Elevator Pitch Presentations

[Register here to serve as a reviewer and/or judge](#)

Judges are not required to attend the entire symposium – of course, we would be pleased if you do wish to attend. When you register, please indicate if you will be joining us for lunch.

If you have any questions, please contact Education Co-Directors [Anamika](#) and [Aliza](#).
