

ACH ADVOCACY COMMITTEE PRESENTS:

2021 WINE SURVIVOR

Back by popular demand
Supporting: The Alex

Registration Phase

- Find a team of 6 and think of a clever name (there will be prizes for this)
- If you would rather be assigned to a team, we can help with that too!
- Each individual must pay a \$40 entry fee - \$20 will go toward the wine prizes, \$20 will be donated directly to The Alex
- Optional: you can buy "immunity" by donating another \$5 per immunity, to a max of 3 immunities per person - 100% of this money will go to The Alex

Elimination Phase

- Each day, a set number of names will be drawn and eliminated
- If you have purchased immunity, your name goes back into the draw, if not, or if you no longer have immunity left, you are eliminated
- Whoever is left standing at the end of the game is the WINE SURVIVOR!
- Only 1 person from your team must survive for your team to win

Prizes

- Market wines, a local Calgary Business, will curate a selection of wine
- The first full team eliminated will get 6 bottles of wine
- The team with the best name will get 6 bottles of wine
- The remainder of the wine will be divided as follows:
 - 1st place - 40% of the wine
 - 2nd place - 30% of the wine
 - 3rd place - 15 % of the wine
 - 4th place - 10% of the wine
 - 5th place - 5% of the wine

As an example, if there are 20 teams, the first place team will get 43 bottles of wine, the second place team will get 32 bottles, the third place team will get 16 bottles, etc.
