

## How to use the Medication List (MedList):

This list can help you and your family keep track of everything you take to keep you healthy—your pills, vitamins, and herbs. Having all your medications listed in one place helps your doctor, pharmacist, hospital, or other healthcare providers take better care of you. Start using the MedList today!

EMERGENCY RESPONSE INFORMATION	Name:	Family Doctor's Name:	Medical History:
	_____	_____	<input type="checkbox"/> diabetes
