

Setting up a Zoom Account for Virtual Teaching

Overview

The University of Calgary now offers Zoom as the campus online class platform.

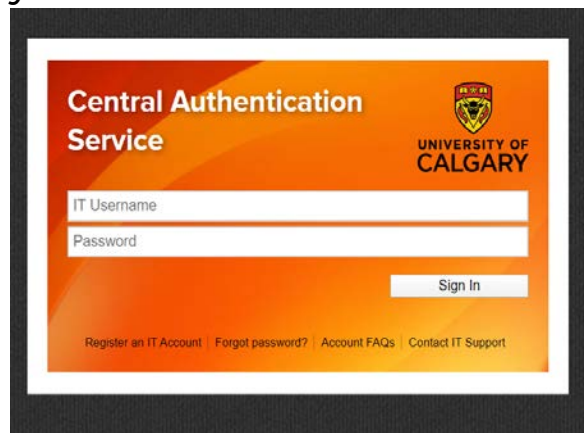

To get an account, go to <https://ucalgary.zoom.us/> and click on Sign in - Configure your account.

To get an account:

1. go to <https://ucalgary.zoom.us/>
2. Click on Sign in - Configure your account

3. You'll be brought to the U of C Central Authentication Service log in box. Enter your credentials as usual.

4. You'll be sent a code to your phone to enter
5. Click verify

6. You'll be asked to stay signed in. In most cases, it would make sense to select Yes as it will reduce the amount of times in a day you will be asked to sign in.

Upon signing in with your UCalgary IT credentials, you will be provisioned an account.
