

CSM Teaching Excellence Program (CSM TEP) Track II: Advancing Educators

Track II: Advancing Educators

After completing Track I, you can look forward to Track II, designed to take your teaching to the next level. Whether as a Classroom Teacher, enhancing your instructional methods with modern, engaging techniques, or as a Clinical Teacher, focusing on advanced clinical education strategies, these offerings will empower you to support and engage learners more effectively.

Classroom Teacher

An innovative program designed to enhance classroom teaching effectiveness through key instructional methods. Emphasizing modern teaching techniques, it incorporates engaging education tools, adaptive feedback strategies, and value-informed approaches to enhance learner support.
