Terminology

Geographic Full-Time Appointment (GFT): Is someone who holds a full-time academic appointment where the appointment includes a full-time salary and benefits with the University of Calgary, Faculty of Medicine.

Major Clinical (MC): A Major Clinical appointee is someone who holds a part-time academic appointment where the appointment has some financial implication. This could be a) a stipend paid directly by another institution or U of C, which is part of the contractual arrangement, b) membership in UCMG only, or c) both.

Associate members: For physicians that hold a locum tenens appointment
