

# Department of Medicine

## Annual Awards Celebration

### MESSAGE FROM THE DEPARTMENT HEAD

Thank you to everyone who was able to attend the virtual awards ceremony on Friday, April 8. And congratulations to all our award winners on these well-deserved recognitions.

If you were unable to join us on Friday you can watch the re-cap above, and for those of you who experienced internet challenges during the event you can watch the ceremony with higher quality video (and even catch our Cameo special guest).

We want to acknowledge your patience on the official announcement of these awards, after many date changes to the awards celebration night. We hope this year to be live and in person for the 2022 awards.

We appreciate all of your efforts over the past two years, and value your incredible hard work and important contributions.

Thank you to Pip Hazell for all her time and effort on helping create a great virtual celebration.

*Dr. Jayna Holroyd-Leduc  
Zone Clinical and  
Academic Department Head*
